

MR DIAGONAL FAN CLUB

Mr Diagonal is not on Facebook, Spotify or Valium.
But he does have a rather good fan-club.

The songs and videos visible online are only the tip of the iceberg.
Beneath the waterline are the vast treasures of mr D's **vaults**.

When you join **the D club** you get 2 magic keys :
one to the **audio** vault on bandcamp ; and one to the **video** vault on vimeo.
These vaults are personally curated by mr Diagonal. New gems are added each
week :
brand new tracks, nuggets from the archives, studio albums and rarities.

You also get a 20% discount on physical albums when you order direct from mr D.
And a badge.

The cost is €25 a year. To join, contact mr Diagonal at daniel.barbenel@gmail.com

If you love it, fund it. Join the D club !
